Allowable Subject Matter

1. Claims 1-10 are allowed over the prior art of record.

Reasons for Allowance

2. The following is an examiner's statement of reasons for allowance: The primary reasons for allowance of the claims is that the prior art neither teaches nor fairly suggest the specified methods of manufacturing an electronic device as presented in independent claims 1-3. Major emphasis is being placed upon the provision of "*(e) conducting heat treatment on an AlCu alloy interconnect line formed through said steps (a) to (d) to form a lower AlTi alloy layer in a lower portion of said AlCu layer (claims 1 and 2) and (e-1) conducting heat treatment on an AlCu alloy interconnect line formed through said steps (a) to (d-1) to form an upper AlTi alloy layer in an upper portion of said AlCu layer and a lower AlTi alloy layer in a lower portion of said AlCu layer*", in combination with other limitations of the said claims and their dependent ones.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
